

**BURLESON INDEPENDENT SCHOOL DISTRICT
INDEPENDENT CONTRACTOR AGREEMENT**

This Agreement (“Agreement”) for services is made between the Burleson Independent School District (“District”) and the entity identified as the Contractor (“Contractor”) in Schedule A which is attached hereto and made a part of this Agreement for all purposes.

For good and valuable consideration (including, without limitation, the mutual promises made in this Agreement) the District and the Contractor hereby agree as follows:

- 1. Parties.** The District is an independent school district organized and operating in accordance with the laws of the State of Texas. The administrative offices of the district are located at 1160 SW Wilshire Blvd, Burleson, Texas 76028. Specific information regarding the Contractor (including any licenses, permits or certifications possessed by the Contractor’s employees relating to the Contractor’s employees’ qualifications and/or authority to provide the services described in this Agreement), is set forth in Schedule A.
- 2. Description of Services.** The District engages the Contractor to provide, and the Contractor agrees to provide through its employees, the services described in detail on Schedule A (to be submitted by Contractor and approved by District – the “Services”). If Contractor will be working with District students and/or employees, the District shall designate the students and/or employees in the District for whom the Contractor will provide the Services and the number of days and calendar time frames within which the Services must be provided. However, the Contractor shall determine the specific days and times of the Contractor’s Services. Because Contractor’s employees shall be providing professional services for students, District shall provide office space within the District for the use of Contractor’s employees. Where required by law or the Individual Education Plan for a student, District will provide required materials, forms, or supplies for use by Contractor’s employees. Otherwise, the legal and professional means and methods by which the Contractor will accomplish the Services shall be within the Contractor’s discretion, so long as the Contractor achieves the results and objectives sought by the District. During the term of this Agreement, the Contractor may provide Services for individuals or entities other than the District and is not required to devote all of Contractor’s time or resources to the to the District.
- 3. Experience and Certification.** The Contractor represents and warrants that Contractor is regularly engaged in the business of performing the Services and that Contractor is fully and appropriately licensed, authorized and/or certified as indicated in Schedule A.
- 4. Payment for Services:** The District agrees to pay the Contractor in accordance with the price and payment terms set forth in Schedule A, and the Contractor agrees to accept such amounts as full payment for the Services provided pursuant to this Agreement.

4. Independent Contractor Relationship. THE DISTRICT AND THE CONTRACTOR SPECIFICALLY ACKNOWLEDGE THAT IT IS THEIR MUTUAL AGREEMENT AND INTENTION THAT THE CONTRACTOR UNDER THIS AGREEMENT SHALL NOT BE DEEMED TO BE AN EMPLOYEE, SERVANT, AGENT, OR PARTNER OF THE DISTRICT OR TO HAVE A RELATIONSHIP WITH THE DISTRICT OTHER THAN THAT OF INDEPENDENT CONTRACTOR.

5. Confidentiality of Student Information. In order to perform the Services, it may be necessary for the Contractor to review or be provided access to the “educational records” of District students (as that term is defined in the Texas Education Code and the Family Educational Rights and Privacy Act-“FERPA”). Contractor and its employees agree to maintain the confidentiality of any and all educational records that are disclosed to or reviewed by the Contractor and its employees in adherence to federal and state laws and District rules and regulations. Also in that situation and solely for the purpose of being given access to educational records in compliance with state and federal laws including FERPA, the Contractor, as a District contractor, is designated as a “school official” as defined in District policy FL(LOCAL).

6. Criminal Background Check. Texas Education Code Chapter 22, Subchapter C directs District contractors to obtain state and national criminal history record information through the Department of Public Safety’s criminal history clearing house on their employees who will have direct contact with students. Contractor will obtain all criminal record information on anyone working on behalf of Contractor through the criminal history clearing house and supply to the District the certification required, prior to providing services and certify that it has done so. (See Attachment B hereto) Contractor, and its employees assigned to the District, acknowledge that Section 22.0834(e) of the Texas Education Code allows the District to obtain a copy of criminal history record information of Contractor and its employees assigned to the District through the criminal history clearing house.

6. Materials and Supplies and Non-Reimbursement of Expenses. Except as provided in Section 2 above, the Contractor shall supply, at Contractor’s sole cost and expense, all materials and supplies necessary for the Contractor to perform the Services. The District shall not be liable to the Contractor for an expense paid or incurred by the Contractor (including, without limitation, business and travel expenses) unless specifically agreed to in writing by the District.

7. Tax Duties and Responsibilities. The District shall not pay or withhold any federal, state or local taxes of any kind relating to payments made to Contractor for the Services provided. Contractor is responsible for, and agrees to pay, all federal, state or local taxes relating to payments received by Contractor for the performance of the Services, including, without limitation, federal income taxes, social security taxes, federal unemployment compensation taxes, and any other fees, charges, licenses or other payments required by law.

8. Benefits. Since the Contractor is an independent contractor (and not an employee) of the District, the Contractor or its employees shall not be eligible for, or be permitted to participate in, any benefits offered or provided by the District to the District's employees including, without limitation, pension plans, health insurance plans, disability insurance plans, paid vacation days, sick leave days, unemployment compensation, retirement, or other employee benefit plans of any nature whatsoever. District shall not deduct Federal income taxes, FICA, social security, or any other withholding required by employers from the District's payments to Contractor. All salary, taxes, deductions, insurance, or similar benefits of employment are the responsibility of Contractor.

9. Insurance. The District shall not obtain or maintain any workers' compensation or other type of insurance for or on behalf of Contractor or Contractor's employees. The Contractor shall comply with all law, rules and regulations applicable to workers' compensation and shall provide the District with a certificate of any workers' compensation insurance that is required by law, and certificates of such other types of insurance as the District may reasonably request, in such forms and in such amounts as shall reasonably be acceptable to the District.

10. Term and Termination. This Agreement shall commence on _____, and shall continue until terminated by the District or the Contractor. The Agreement may be renewed or extended as evidenced by the written agreement of both parties. Either party may terminate this Agreement, with or without cause, at any time by giving written notice of termination to the other party. For the purposes of this Agreement, "cause" shall mean a breach of the Agreement by either party by actions such as, but not limited to, failure to render the Services in the manner or of the quality as promised, failure to pay for services, failure to maintain confidentiality of educational records, or misrepresentation of certifications or qualifications.

Venue for any dispute arising under this Agreement shall be in state courts in Johnson County, Texas, and this Agreement shall be interpreted by and governed by the laws of the State of Texas.

16. District agrees it will not, directly or indirectly, or through any agent or agency, employ or otherwise contract with any employee of Contractor assigned to District by Contractor for a period of one year after the last date of assignment of that Contractor's employee to provide services to the District. The provisions of this Agreement are severable and the invalidity or unenforceability of any provision hereof shall not affect the validity or enforceability of any other provision. It is the intention of the parties that each provision hereof be construed in a manner designed to effectuate the purposes of such provision to the maximum extent enforceable under applicable law.
