

STEAM & REALM Choirs HANDBOOK AGREEMENT FORM

Please sign and return this page along with fees no later than Friday, September 3rd.

By signing below you are acknowledging that you have received the choir handbook and understand it is your responsibility to read & abide by it. You are also agreeing to the following.

I understand the rules and expectations of the STEAM & REALM Choirs. School wide referrals and ISS assignments will be considered in determining student participation in choir trips. Severe or frequent behavior issues could result in removal from the choir program.

I understand the financial obligation of being in choir. In addition to the \$40 choir fee, I understand that I am responsible for maintaining all required supplies and uniforms. It is the parent/guardian's responsibility to communicate with the director if there are financial concerns. All choir fees must be paid in full for students to be eligible for choir trips.

I have received the choir calendar. I understand that all performances and rehearsals are *required* events that count as a grade. Unexcused absences from required events will result in loss of choir trips.

Cut Time I understand that my contact information will be used to create a Cut Time account so the choir director can communicate important information.

Academic Eligibility I understand that students are required to pass all classes on the report card prior to any contest or extra curricular event in order to participate. Students may regain academic eligibility at the next progress report. Students must pass all classes with a 70 or higher to be eligible for choir trips.

I understand that choir is a full year commitment. Students are expected to come prepared with a positive attitude, making their very best effort every day.
